

MOTION PICTURE EXHIBIT

Donald Aska

Chief, Educational Section, U. S. Fish and Wildlife Service, Washington D.C.

A series of motion pictures specially prepared by the U. S. Fish and Wildlife Service were shown by Mr. Aska. These films showed various phases of the fishery industries of the United States and demonstrated practical methods and improvements in the use and repair of fishing gear.

The U. S. Fish and Wildlife Service has available fishery motion pictures and also a number of educational films of value to the commercial fishing industry, which may be borrowed free upon request. For further information see Fishery Leaflet No. 255 obtainable on request from the U. S. Fish and Wildlife Service.
